Told Agony from Catarrh.

Prof. W. BAUMER, the famous magnetizer of Ithaca, N. Y., writes: "Some ten years ago I suffered from catarrh for nearly three months, and my family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse I could hardly speak. I had to give up my business, and, during the day, I could not even speak. I thought I must die. I sought and cleared out. Catarrh would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man and the cure has been permanent."

Constantly Hawking and Spitting.

THOMAS J. RUSHING, Esq., 2202 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and when I did, I could not swallow. For the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy. I am now well again. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."
